Placement Report of Department of Management Studies
At the end of 2021-2022 Academic Year

Background

The ABV-Indian Institute of Information Technology and Management Gwalior (ABV-IIITM Gwalior) is one of India's leading information technology-driven business school. ABV-IIITM Gwalior has glorious history of 25 years and is one of the Institutes of National Importance in India. Department of Management Studies (DoMS) is one of the academic departments of ABV-IIITM Gwalior and is committed to excellence in management education, research, and training. Department's flagship five-year Integrated Programme in Management with dual degrees of Bachelor of Technology (B.Tech.) and Master of Business Administration (M.B.A.), and two-year M.B.A. programme are developed and continuously updated in close coordination with academia, alumni and industry. Department's academic programmes are delivered by a highly qualified set of faculty members using problem-solving approach to provide technology-centric solutions to address social, economic and business challenges.

ABV-IIITM Gwalior is pleased to announce the successful completion of the final placement process for the Integrated Programme in Management and M.B.A. class of 2022. Students were offered a diverse set of roles by prestigious Indian and global companies. This season witnessed the participation of over 30 recruiters.
